Dear parent or guardian:

Suwannee Valley Electric Cooperative (SVEC) will sponsor a tour of Tallahassee and the co-op's facilities in Live Oak for up to 10 high school juniors. While in Tallahassee, students will explore Florida's legislative process. Possible activities include a tour of the state Capitol, participation in a mock bill debate on the floor of the Senate or House of Representatives, and visits to the Florida Supreme Court and offices of our state legislators.

To be eligible for the 2023 tour, Feb. 15-16, a student must be enrolled in the 11th grade of a high school or home-school program in SVEC's service territory and have an unweighted grade point average of at least 3.0. The student must also be a dependent of an SVEC member but cannot be a child or grandchild of a current SVEC employee or trustee.

Students will be chosen to participate in the tour based on a 250-500-word essay on how cooperatives can reach out and engage with people of their generation. The essay and a completed tour application form (attached) must be received by SVEC no later than 4:30 p.m., Friday, January 20, 2023. Essays and application forms can be emailed to communications@svec-coop.com, hand delivered to our office at 11340 100th Street, Live Oak, or mailed to:

P.O. Box 160
Live Oak, FL 32064

A Statement of Parental/Guardian Consent and Release will be required for each student chosen for the tour. Students will miss two days of school, leaving Suwannee Valley Electric Cooperative at 8:00 a.m. on Wednesday, February 15 and returning on Thursday, February 16 at around 4:00 p.m. If a chosen student is unable to attend the tour, an alternate will go in their place.

SVEC will supply chaperons and transportation and from Tallahassee. Hotel accommodations will be at the Fairfield Inn & Suites or Hampton Inn in Tallahassee. Each room will be shared by two students of the same gender. All expenses will be paid by SVEC, but students may wish to bring a small amount of money for personal use and incidentals.

Two of the students who go on the tour will also be selected to represent SVEC in Washington, D.C., for the National Rural Electric Cooperative Association (NRECA) Youth Tour tentatively scheduled for June 13-18, 2023. They will be flown to Washington and join students from around the country on visits to sites such as the Lincoln Memorial, Arlington National Cemetery, Smithsonian and Mount Vernon. SVEC will pay for the trip.

Students will be selected for the tour of Washington, D.C. based on their essay mentioned above, the quality of their participation during the Tallahassee tour, and their score on a written quiz covering facts they will learn about SVEC.
